

Future Apostle Academy Core Value

In leadership and building disciples for Christ, through encouraging our children to grow in their faith through learning, obeying, loving and applying the Scriptures to their Daily life as well through their academics. All school staff and leaders are charged to use their gifts and live out their faith in front of our students and to mentor them as Jesus commanded.

Teachers are committed to developing ongoing relationships with the students with the motivation to honor Christ.

Students are encouraged to be Faithful, Teachable, and Available. The goal is to move students on a clear path of spiritual growth so they may develop into mature spiritual leaders.

Our academic program has been designed around the needs of our students. We use a combination of several resources: ACSI, BOR, and Pearson. While our curriculum tends to be advanced, it is our goal as a school to provide an education that meets the needs of different learning styles. Our Academic Learning Lab provides software that provides extra tools for students who need additional assistance.

Whether your student is entering preschool or primary school, we want to partner with Christian parents to equip students with a Christ-centered education empowering them to impact the world for the glory of God. In the hallways or in the classroom, Christ is revealed through a biblical worldview.

We hope you prayerfully and wholeheartedly pursue partnering with us.

Future Apostle Academy follows a "covenant" approach to admissions. This means that at least one parent or guardian in each family professes faith in Jesus Christ and is an active member of a Christ centered church.
