In leadership and building disciples for Christ, through encouraging our children to grow in their faith through learning, obeying, loving and applying the Scriptures to their Daily life as well through their academics.

Our staff and educators are charged to use their gifts and live out their faith in front of our students and to mentor them as Jesus commanded.

Teachers are committed to developing ongoing relationships with the students with the motivation to honor Christ.

Our students are encouraged to be Faithful, Teachable, and Available.

The goal is to move students on a clear path of educational and spiritual growth so they may develop into mature educated and spiritual leaders.
